Rack Modules:
6 options available

(see next page)

Qwerty Keyboard riser

Lowered Monitor platform

Lowered Keyboard holds up to 88 note

DUAL15KL

Steel leg assemblies provide solid support.

DUAL15K

Internal storage space.

Powder finished panels.

Dual15K and 15KL workstations are shipped

disassembled for easy delivery and installation. Chassis components provide durability, strength,and density for minimal acoustic influence. Chassis design defeats thermal buildup and permits easy cable access. Enclosed utility area separates, conceals, and protects vital gear and cabling. Rack module options provide flexibility to accommodate different systems configurations. Patented design.

with optional MPX shelf
